## Child Abuse Prevention Training

### Form 4 – Parent Statement of Understanding

The following information is important for the safety and protection of your child. Please read the information, sign this form, and return it to the YMCA. A copy will be filed with your child's records.

I understand that YMCA staff and volunteers are not allowed to baby-sit or transport children at any time outside the YMCA program. Immediate disciplinary action will be taken by the YMCA toward staff and volunteers if a violation is discovered.

I understand that I am not to leave my young child or children\* at the YMCA or a program site unless a YMCA staff or volunteer is there to receive and supervise my child.

\*Note: Most YMCA's have a policy that define the specific age.

I understand that children should not receive excessive gifts (e.g., TV, video games, jewelry) from YMCA staff or volunteers, and that I should report this to a supervisor if they do.

I understand that my child will not be allowed to leave the program with an unauthorized person. Any person authorized to pick up my child including older siblings or relatives must be listed with the YMCA and of the age required by this YMCA. Any other arrangements must be made by calling the YMCA office to inform them of a change.

I understand that should a person arrive to pick up my child who appears to be under the influence of drugs or alcohol, for the child's safety, staff may have no recourse but to contact the police. Please do not put staff in a position where they have to make this judgment call.

I understand that I can help ensure my child's safety by taking an active interest in his or her YMCA experience. I too will monitor volunteer and staff interactions with my child and ask my child specific questions about program activities and volunteer or staff relationships with my child.

I understand that the YMCA is mandated by state law to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.

\*Note: It may be appropriate for the YMCA to insert fees or other policy statements that need emphasis at this point.

I have received a copy of the YMCA Youth Program Handbook and Parent Policies and Procedures and will keep it for future reference.
