CHESTERTON-DUNELAND KIWANIS

Chesterton-Duneland Kiwanis is a service organization focused on children in our community.

What makes Kiwanis Special?

- Member-driven clubs. Members choose meeting times, leadership and projects by examining what members want and what the community needs.
- Hands-on service. Mentoring children, renovating playgrounds, feeding families. Fundraising for local causes that the communities need.
- Global impact. Kiwanians engage in world-wide projects such as eradication of iodine deficiency disorders and maternal and neonatal tetanus.

Come and join us. Our meetings are from noon to 1pm each Friday starting with lunch, followed by Club business and a program at Westchester Public Library Service Center.

DUNELAND FAMILY YMCA

The Duneland Family YMCA has been serving our communities since 1966. With our members, volunteers, staff and partners, we take on the most urgent needs in our communities, bringing our mission to the people and neighbors that need us most. We love to collaborate and help to provide a spirit of service in everyone we touch. Working together, we can take on many of the greatest challenges facing our young people, our health and our communities.

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.
